Mylan Classic **Announces CONSOL Energy as Presenting Sponsor** *Partnership to Bolster Charitable Impact*

For Immediate Release
March 19, 2010

CANONSBURG, PA – The Mylan Classic announced today, its newest partner, CONSOL Energy Inc. (NYSE: CNX), will become the tournament's presenting sponsor. With this partnership, the event will now be referred to as the Mylan Classic presented by CONSOL Energy.

"Creating a partnership with the PGA TOUR by sponsoring the Mylan Classic provides a great opportunity to further CONSOL Energy's commitment to support local communities in our region," said Joe Cerenzia, director, public relations of CONSOL Energy. "CONSOL Energy is honored to be a part of this extraordinary golf event that prides itself on funding so many worthwhile organizations, and we look forward to the financial impact that will be realized throughout the region through the event's charitable mission. As a neighbor of Southpointe Golf Club, we are very excited for the opportunity they have to host a PGA TOUR event."

Early projections indicate the economic impact for southwestern Pennsylvania from the Mylan Classic presented by CONSOL Energy will be nearly \$9 million. In addition to business, many community organizations will benefit from this event through programs such as TICKETS Fore CHARITY™, where local non-profits will have the opportunity to sell tournament tickets and retain 100 percent of the sales for their respective organizations.

"With the support of Mylan and now CONSOL Energy, we have the only two Fortune 500 companies that are headquartered right here in Washington County supporting the PGA TOUR. The generosity of both companies also will benefit the many charitable organizations involved in the tournament for many years to come," said Rodney L. Piatt, president of Southpointe Golf Club. "The event is structured to provide significant financial support to the area's many worthy causes and with the helping hand of our corporate partners we are on the right track to align with the PGA TOUR's mission of giving back to the community."

"CONSOL Energy is a major player in the energy, coal and natural gas businesses and brings a lot to the Mylan Classic," said Nationwide Tour president Bill Calfee. "Just as the Nationwide Tour is PGA TOUR Driven, CONSOL Energy will enhance the tournament's drive to impact Western Pennsylvania, particularly its charitable component. The Nationwide Tour has benefited from the support of CONSOL Energy in the past, and we look forward to partnering with them again on the Mylan Classic."

The 72-hole stroke-play event will be played Sept. 2-5 and will feature 156 players from 19 countries competing for a purse of \$600,000. The tournament will be preceded by pro-ams on Monday, Aug. 30 and Wednesday, Sept. 1.

The Golf Channel will televise all four rounds of the Mylan Classic presented by CONSOL Energy in the United States. Internationally, it will be distributed via the PGA TOUR to 72 countries, including Japan, China, Korea, Hong Kong and parts of Europe and Latin America.
