**June 23, 2010**

CANONSBURG, PA – The Mylan Classic announced today that award-winning Motown music legend The Commodores, will perform Saturday, Sept. 4 at the Southpointe Golf Club as part of the festivities surrounding the inaugural Mylan Classic presented by CONSOL Energy. The Commodores performance will highlight day six of the Mylan Classic's seven-day schedule of events. The concert will take place at the golf club after the conclusion of play on Saturday.

As a community event, the Mylan Classic presented by CONSOL Energy offers championship golf and entertainment for the whole family. Tournament tickets that provide access to all events, including The Commodores concert, start at \$25. Tickets are being sold through a unique and innovative initiative known as ANSYS TICKETS Fore CHARITY™. Through this program, more than 130 participating non-profit organizations are selling tournament tickets and retaining 100% of the proceeds plus a percentage of the \$25,000 bonus pool. "We are very pleased to announce that The Commodores will be part of the inaugural Mylan Classic," said Rodney L. Piatt, president of the Southpointe Golf Club. "The Commodores are an award-winning group and are even better people. Because of their involvement, we will be able to better assist the many worthwhile organizations in western Pennsylvania through the ANSYS TICKETS Fore CHARITY program."

The Commodores have sold more than 75 million records worldwide and earned a Grammy for their 1986 hit "Night Shift." With 30 albums to their credit and hits like "Machine Gun," "Sail On," "Easy," "Three Times a Lady" and "Brickhouse," The Commodores have maintained their place among the most successful music groups in the world. Culminating the talent and experience of three decades of writing, producing and performing hit music to a new generation of fans, The Commodores are proving, once again, that their future is as bright as their past.

Also taking to the stage on Sept. 4 is Eleventh Records recording artist Tino Coury. Tino recently introduced himself to the pop world with the single “Diary.” It’s a canny combination of exhilarating pop, slamming beats and lyrical drama, which is the essence of the 21-year-old singer/songwriter/producer’s craft. The track--mixed by Grammy winner Manny Marroquin (Usher, Alicia Keys)--continues to rapidly grow on radio with more than eighty Top 40 and Rhythmic radio stations already on board, and just this week (June 21), “Diary” has risen all the way up the charts to debut on Mediabase’s Top 40 chart at #40. The success from “Diary” also earned Tino a main support slot for Jason Derulo in front of a sold-out audience at New York’s Fillmore at Irving Plaza. All this adds to the anticipation of Tino’s upcoming album, due out later this year, on indie label Eleventh Records, distributed through Universal’s Fontana.

The Commodores and Tino are the latest additions to the Mylan Classic presented by CONSOL Energy. Previously-announced country music superstar and Grammy-nominated artist Joe Nichols will be joined by special guests the Eli Young Band on Tuesday, Aug. 31 at The Meadows Racetrack and Casino beginning at 8 p.m. Eli Young Band is currently touring on the Country Throwdown Tour in support of their latest album, “Jet Black and Jealous.”

The Mylan Classic is one of four new events on the PGA TOUR’s 29-event Nationwide Tour in 2010. It will be held Aug. 30 – Sept. 5 at the Southpointe Golf Club in Canonsburg, Pa. The event will draw 156 Nationwide Tour professionals from as many as 20 countries vying for one of the 25 PGA TOUR cards that will be awarded to the leading money winners at the end of the year. Also descending on Washington County during tournament week will be the players’ families, caddies, Pro-Am participants, corporate guests, television crews, Tour staff members and thousands of spectators. Golf Channel will televise all four rounds of the Mylan Classic in the U.S. Internationally, it will be distributed via the PGA TOUR to 72 countries, including Japan, China, Korea, Hong Kong and parts of Europe and Latin America.
